Ein neues Zeitalter bricht an.....

Betreten Sie das Reich der Heiligen Länder, wo der Beginn eines neuen Zeitalters die bedeutsamsten Kriege in Gang gesetzt hat. Wie die Prophezeiungen lange vorhergesagt haben, prallen nun vier Rassen mit Schwertern und Zauberei zusammen, um das Schicksal ihrer Götter zu kontrollieren. Übernimm die Aufgabe als Champion des Imperiums, der Bergklans, der Legionen der Verdammten oder der Untoten Horden und teste deinen Glauben in Schlachten roher Gewalt, fesselnder Magie und hinterhältigen Taten. Töte Dämonen, besiege Riesen und bekämpfe gnadenlose Kräfte von Toten und Untoten. Aber um die Erlösung deines Gottes zu gewährleisten, muss sich der Held im Inneren entwickeln.

Der Tag der Abrechnung ist gekommen.... und nur die Auserwählten werden überleben.

SWAT 3: Close Quarters Battle verlinkt

Der Schutz dieser Würdenträger fällt auf die Schultern einer einzigen Organisation, der LAPD SWAT. Als Teil dieser elitären taktischen Organisation verfügen Sie und Ihr Team über die Waffen und alle notwendigen Trainingsmaßnahmen, um zu schützen, zu dienen und "bei Bedarf" tödliche Gewalt anzuwenden, um den Frieden zu wahren. Es braucht mehr als Waffen, um jede Mission zu bestehen. Ihr Arsenal umfasst C2-Ladungen, Blitzschläge, taktische Granaten, opti-Wand Mini-Videokameras und andere Geräte, die für die Erreichung Ihrer Ziele und die Verletzungsfreiheit Ihrer Männer entscheidend sind. Kompromisslose Pflicht, Ehre und Tapferkeit!

The Wheel Of Time verlinkt

EUR 89.00

inkl. 20% MwSt.

Artikelnummer: PC-TWOF

Die Welt, in der das Rad der Zeit spielt, wird direkt aus den Seiten Jordaniens gehoben; sie ist riesig und besteht aus vielen verschiedenen Umgebungen. Wie du in der Welt navigierst, hängt stark davon ab, welches Spiel - Einzelspieler oder Multiplikator - du spielst. Die Einzelspieler-Erfahrung, mit wenigen Ausnahmen, wird zeigen, dass Elayna die Welt hauptsächlich zu Fuß durchquert (mit ein paar bemerkenswerten Ausnahmen). In der Mehrspielererfahrung hat dein Charakter mehr Zugang zu Reisen über Ter'angreal, Portalsteine und die Wege. Wie auch immer Sie sich bewegen, Sie werden jedoch schnell feststellen, dass Fortbewegungsmittel leicht die geringste Ihrer Sorgen werden können.....

Auf Ihren Reisen entdecken Sie schnell, dass vier Orte entscheidend für Ihren Erfolg im Spiel sind. Kein Wunder, dass diese Orte die Heimat der Hauptfiguren von The Wheel of Time sind. Einige dieser Orte sind direkt von den Seiten von Jordans Büchern gerissen, die mit den unvergleichlichen Pixel-Push-Möglichkeiten von Legend Fleisch geworden sind. Andere Orte sind spielspezifisch, konzipiert und ausgeführt mit der Absicht, diese Spielwelt noch weiter auszubauen. So oder so, sie bilden den Hintergrund für einige der intensivsten Aktionen und Strategien der ersten Person, die Sie in diesem Jahr haben werden.

Artikelnummer: MINUNITSMIX

This product is purchased based on minimums and units. The Min is set to 6 and the units is set to 3 Quantity Minimums and Units are designed to more or less force the customer to make purchases of a Minimum Quantity ... and if need be, in Units. This product can only be purchased if you buy at least 6 ... and after that in units of 3 ... 9, 12, 15, 18, etc. If you do not purchase it in the right Quantity, you will not be able to checkout. When adding to the cart, the quantity box on the product_info page is "smart". It will adjust itself based on what is in the cart. The Add to Cart buttons are also smart on New Products and Product Listing ... these also will adjust what is added to the cart. For example: If there is 1 in the cart, the next use of Add to Cart will add 5 more to make the Minimum of 6. Add again and 3 more will be added to keep the Units correct. Product Quantity Min/Unit Mix is for when a product has attributes. If Mix is ON then a mix of attributes options may be used to make up the Quantity Minimum and Units. This means you can mix 1 blue, 3 silver and 2 green to get 6. If the Mix is OFF then you may not mix 2 blue, 2 silver and 2 green to get 6. This product has the Product Qty Min/Unit Mix set to ON

This product does not show the Quantity Box when Adding to the Shopping Cart. While Quantity Box Shows is set to YES, the Product Qty Max has been set to 1 This will add only 1 to the Shopping Cart when Add to Cart is hit. The reason for this is that this is a download. As a download, there is never a reason to allow more than quantity 1 to be ordered. NOTE: If using Quantity Box Shows set to NO, unless Qty Max is also set to 1 then each time the Add to Cart is clicked the current cart quantity is updated by 1. If Qty Max is set to 1 then no more than 1 will be able to be added to the Shopping Cart per order. Two methods are available to trigger the Stückzahl verstecken. Method 1: Set Quantity Box Shows to NO Method 2: Set Qty Maximum to 1 In either case, you will only be able to add qty 1 to the shopping cart and the quantity box will not show.

This is a test product for copying and deleting attributes. All of the images for this product are in the main /images directory and /large directory. The main products_image is called 1_small.jpg There are additional images for this product that will auto load located in /images called: 1_small_01.jpg 1_small_02.jpg 1_small_03.jpg The large additional images are in /images/large called: 1_small_01_LRG.jpg 1_small_02_LRG.jpg 1_small_03_LRG.jpg The naming conventions for the additional images do not require that they be numeric. Using the numeric system helps establish the sort order of the images and how they will display. What is important is that all the additional images be located in the same directory and start with the same name: 1_small and end in the same extension: .jpg The additional large images need to be located in the /large directory and use the same name plus the Large image suffix, defined in the Admin ... Product Free Shipping can be setup to highlight the Free Shipping aspect of the product. These pages include a Free Shipping Image on them. You can define the ALWAYS_FREE_SHIPPING_ICON in the language file. This can be Text, Image, Text/Image Combo or nothing. The weight does not matter on Always Free Shipping if you set Always Free Shipping to Yes. Be sure to have the Free Shipping Module Turned on! Otherwise, if this is the only product in the cart, it will not be able to be shipped. Notice that this is defined with a weight of 5lbs. But because of the Always Free Shipping being set to Y there will be no shipping charges for this product. You do not have to use the Product Free Shipping product type just to use Always Free Shipping. But the reason you may want to do this is so that the layout of the Product Free Shipping product info page can be layout specifically for the Free Shipping aspect of the product. This includes a READONLY attribute for Option Name: Shipping and Option Value: Free Shipping Included. READONLY attributes do not show on the options for the order.
